CHARGER

1972 CHARGER

Dedicating . . . the Orion High School

Our past drifts behind us--a long trail of beginnings, a pathway of performance, and finally, the realization of goals fulfilled. Our awe of the future is soon lost in the midst of time, and as the tomorrows shade into a short today, and then a quickly forgotton yesterday, we are filled with endless memories.

We, the students of Orion High School, have had many memories that are stored within this school building. Many fun-filled, work-filled hours were spent here. As we seniors go our separate ways and as we underclassmen attend the new building in the fall, let us cherish the memories of the people, the experiences and even the halls of old ORION HIGH SCHOOL.

As we recall these memories, we the CHARGER Staff of 1972 dedicate this book to you, ORION HIGH SCHOOL.

1972 Yearbook

Friends

If nobody smiled and nobody cheered
  And nobody helped us along,
If every man looked after himself
  And good things all went to the strong.

If nobody cared just a little for you
  And nobody thought about me
And we stood alone in the battle of life,
  What a dreary old world this would be.

Life is sweet because of friends we have made
  And the things in common we share;
We want to live on, not because of ourselves,
  But because of the people who care;

It's living and doing for somebody else;
  On this all life's splendor depends,
And the joy of the world, when you've summed it all up
  Is found in the making of friends.
